Building Permits.

The following permits were issued to-day from the Mayor's office?
Caleb Mains, iron-lad simble, ifails, sust side of North Flores street; sole 500.

B. J. Manterman, concrete dwelling, 37x8, northeast extree of avenue B and seventh street; cont 5298.
L. J. Genniette, brick shop, inx3), mortheast corner of Camerun and west Houston street; cost 5208.

Concrete Houses, are being built on Milam park by Mr. Louis Lambert. The material is concrete and put together in a nearly dry condition, which, when "set," is said to be much preferable to the plan used in putting down our sidewaits. The material used has been purchased in New Orleans, and it is understood the cost of building these houses is about one half the cost of tard rock and is equally as strong and durable.
